## Bears stung by Hornets

Block's Bears traveled back south of I-10 again for the regional round of the playoffs vs Grand Lake. The Hornets are the #2 team in class 1A basketball, and they defeated the Bears 98-65.

The Bears played a good game vs the high-powered offense of the Hornets, but just couldn't keep up with the pace and 3-point shooting the Hornets brought to the court.

In the first quarter, both teams had foul trouble very early. Block had a brief lead of 17-14 after Zavion Green connected on the Bears only 3 of the

game.

Both teams were in the bonus and shooting free throws in the later parts of the first quarter.

The Bears continued to play hard through the game, but the Hornets pulled away in the second quarter and stayed there the remainder of the game.

The Bears had four players that hit double digits in scoring. Dexture Jefferson (18 pts), Tavaughn Wyckoff (12 pts), Zavion Green (12 pts), and Gary Stevenson (10 pts).

What the bears had to deal with was a very good shooting Hornets team.

Grand Lake hit 9 three point shots in the game. Six of the made perimeter shots came from the Hornet's Brayden Richard. Richard would finish his night with 30 points (led the Hornets in scoring).

The Hornets had three other players that scored in double digits to aid Richard's performance.

Luke Thomas (15 pts), Luke McCardle (12 pts), and Kael Delcambre (11 pts).

Grand Lake has advanced to the semi-finals, which takes place just about 10 miles north of their school at Burton Coliseum.

## Bears hitting the diamond

The Bears baseball team had to postpone some of its early season games because a lot of the team has been busy with the basketball playoffs.

Basketball season is now over though and the Bears moving on to the bags.

Block will have a two game home and away series vs Forest.

On March 16th the Bears will be home and on March 19th they will trav-

el. After the Forest series the Bears will begin district play with Logansport at home on March 24th.

That is how the schedule is lined up right now. The games that were postponed due to basketball will be re-inserted at some point and change the schedule up.

That information will be put in the paper as soon as it becomes available.
