Block High Schools boys' basketball are play in the regionals in Lake Charles tonight. Softball and baseball are ongoing. Next week is spring break, March 9-13. School will be out and the central office will be closed. ACT testing for 11th grades will be March 17th• April 6 computer based testing will begin for grades 6-8. The parish wide Math Bee will be held at HHS on March 27. Update on roof of "B" Building at BHS: Contactor says he needs 8 or 9 days with no rain to complete. In response to the KNOE news report on Catahoula being included as a critical fiscal need district, this was merely a recommendation from State Superintendent John White. It would take legislative action for this to happen and currently there is no filed bill for this. In addition, the Superintendent has met with local legislators that will support Catahoula. He has also sent a letter to the State Superintendent, local legislators, and our BESE member requesting that Catahoula be moved to the second tier of rural districts instead of the first.

On a motion by Dorothy Watson, seconded by Jane Martin and passed unanimously, the Board adjourned.
