On July 24, 2020, Pleasant Grove Baptist Church presented Sheriff Toney Edwards and staff with Operation Appreciation care packages. Sheriff Edwards stated, "It is very rewarding to our department that our community supports and cares for our deputies enough to provide these care packages. I am thankful to the members of Pleasant Grove Baptist Church for providing these packages." Deputies will be able to use these snacks when they are on the run between calls, and may not have the opportunity to stop and eat.
