Ferriday blows past Tigers

The Tigers kicked their season off in Ferriday against the 2019 2A State Champs. A game in which the Trojans racked up 51 points and held the Tigers to 0.

To start the season off good against the defending champs and with everything during the offseason is a tall order to fill. But it gives the Tigers a

chance to address some inconsistent areas of their game before starting district play.

Due to the altered schedule because of covid-19, the Tigers won't have long. District play is coming up very quickly, and against another hard opponent to beat. That will be this Friday when the Tiger take a ride up to Monroe and take on OCS.

The Tiger defense did what they could for as long as could. They were holding their own against the Trojans through the first half. At halftime, the Tigers were very much still in the game and only trailing by 14.

Trojans got rolling in the 3rd quarter though when they put 28 points on the board before slowing back down.

Bears QB J.R. Curry breaks off a 65 yard touchdown run down the sideline.
